

AMENDMENT TO THE CLAIMS

Kindly cancel claims 1-20 if not already cancelled.

Claims 1-20 (cancelled).

Kindly add the following new claims:

21. (new): A sports viewing assembly comprising, in combination: a head support for holding said assembly on a person's head; a binocular assembly attached to said head support, said binocular assembly allowing viewing an event from a distance; a radio attached to said head support; at least one earphone coupled to said radio; a camera optically coupled to said binocular assembly.

22. (new): The sports viewing assembly of claim 21 wherein said camera is removable.

23. (new): The sports viewing assembly of claim 21 further comprising earmuffs.

24. (new): The sports viewing assembly of claim 21 further comprising image stabilization for said binocular assembly.

25. (new): The sports viewing assembly of claim 21 further comprising a laser pointer.

26. (new): The sports viewing assembly of claim 21 further comprising a rangefinder.

27. (new): The sports viewing assembly of claim 21 wherein said radio is a satellite radio.

28. (new): The sports viewing assembly of claim 21 wherein said radio is a scanner.

29. (new): The sports viewing assembly of claim 21 further comprising a visor.

30. (new): The sports viewing assembly of claim 21 further comprising a lens cover for said binocular assembly.

31. (new): A sports viewing apparatus comprising, in combination: an adjustable head support; at least one telescopic device coupled to said head support; a radio attached to said head support; earphones attached to said head support, said earphones coupled to said radio.

32. (new): The sports viewing apparatus of claim 31 wherein said radio is removable.

33. (new): The sports viewing apparatus of claim 31 wherein said earphones are removable.

34. (new): The sports viewing apparatus of claim 31 further comprising removable earmuffs.

35. (new): The sports viewing apparatus of claim 31 further comprising a microphone removably attached to said head support.

36. (new): The sports viewing apparatus of claim 31 further comprising a laser pointer.

37. (new): The sports viewing apparatus of claim 31 further comprising a rangefinder.

38. (new): The sports viewing apparatus of claim 31 further comprising image stabilization.

39. (new): An apparatus for viewing events comprising:

a means for holding said apparatus on a human head;

a telescopic means for telescopically viewing said events;

a receiving means for receiving a radio signal and producing an audio output signal;

a transducer means for producing sound from said audio output signal;

whereby, when said apparatus is worn by said human, distant events can be conveniently observed while listening to the sound related to said radio signal.

40. (new): The apparatus of claim 39 further comprising photographic means cooperating with said telescopic means for recording images of said events.

41. (new): The apparatus of claim 39 further comprising ear protection means for protecting said human's ears from cold weather.
